WHO WE ARE

Alaska Mission for Christ is a nonprofit Lutheran Church - Missouri Synod ministry established to proclaim and practice the love of Jesus in Alaska.

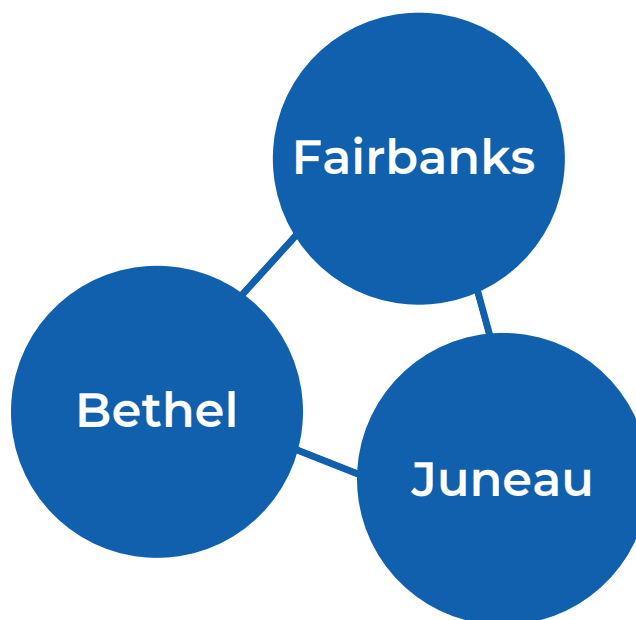

Since we believe every Christian is part of the body of Christ, we encourage and equip volunteers to be involved in sharing the Gospel through various Servant Event opportunities.

AMC also partners with the LCMS congregations of Alaska to identify needs, build relationships, and witness throughout the state. Currently, four of Alaska's 13 LCMS congregations have their roots in the ministry of Alaska Mission for Christ.
